Capability Statement

About Us

Tetra Corp is a Western Australian-based company specializing in providing high-quality cleaning services for residential, commercial, and industrial clients. With a focus on delivering unparalleled cleanliness and hygiene, we leverage the latest technology and advanced cleaning techniques to meet the unique needs of our clients. Our experienced team is committed to ensuring safety, efficiency, and exceptional service across all projects.

Our Services

Tetra Corp offers a comprehensive range of services tailored to meet the specific requirements of various industries. Our services include:

- **Window Cleaning:** Residential, commercial, and warehouse window cleaning, using a pure water system for streak-free results.
- **Carpet Cleaning:** Residential and commercial carpet cleaning, including flood water extraction and vehicle interior cleaning.
- **Vacate Cleaning:** Full-service vacate cleaning, ensuring properties are spotless and ready for the next tenant.
- **Floor Cleaning:** Grout cleaning, washroom floor cleaning, and commercial property floor scrubbing.
- **Special Cleaning Services:** High dusting, playground cleaning, pressure washing, staircase cleaning, wall cleaning, commercial kitchen cleaning, and sofa cleaning.

Work Health and Safety (WHS)

At Tetra Corp, the health and safety of our employees, clients, and contractors are paramount. We are committed to creating a safe working environment and ensuring compliance with the Occupational Safety and Health Act 1984 (Western Australia) and relevant regulations. Our WHS practices include:

- **Risk Management:** Regular hazard identification, risk assessments, and implementation of control measures to eliminate or minimize risks.
- **Incident Reporting and Investigation:** Prompt reporting and thorough investigation of all incidents to prevent recurrence.
- **Emergency Preparedness:** Comprehensive emergency response procedures and regular drills at all worksites.
- **Training and Education:** Ongoing WHS training and education for all employees to ensure safe work practices.

Sustainability Commitment

We recognize our responsibility to the environment and are dedicated to incorporating sustainable practices into our operations. Our Sustainable Procurement Policy ensures that we source materials and services that minimize environmental impact, reduce waste, and promote resource conservation. We prioritize working with suppliers who share our commitment to sustainability and ethical business practices.

Ethical Practices

Tetra Corp upholds the highest standards of integrity and transparency in all business dealings. Our Anti-Bribery and Corruption Policy reinforces our zero-tolerance approach to unethical behaviour. We maintain strong due diligence processes for third-party relationships and provide whistleblowing mechanisms for reporting any misconduct.

Human Rights and Fair Labor

Our Human Rights Policy reflects our commitment to upholding the dignity and rights of all individuals involved in our operations. We comply with the Australian Modern Slavery Act 2018 and take active steps to prevent modern slavery within our supply chains. We are also committed to promoting diversity, equality, and inclusion in the workplace, as outlined in our Diversity, Equality, and Inclusion Policy.

Capability and Expertise

With years of experience in the industry, Tetra Corp has built a reputation for reliability, professionalism, and excellence. Our team is highly trained and equipped with state-of-the-art tools to handle cleaning projects of all sizes. We work closely with clients to understand their needs and tailor our services to meet their specific requirements. Whether it's maintaining the cleanliness of a commercial building or performing deep-clean services for industrial facilities, Tetra Corp delivers results that exceed expectations.
